

MESSAGE OF CONDOLENCE ON THE PASSING OF HIS EXCELLENCY THE RIGHT HONOURABLE RAILA
AMOLO ODINGA

The Kenya Rugby Union would like to pass a message of sincere condolences to the family of the Right Honourable Raila Amolo Odinga on his untimely demise.

The Late Prime Minister was an ardent supporter of all sports including rugby and was a regular guest at matches, both local and international. His love for rugby led him to strongly support grassroots rugby as well as the National Team and for this he will be fondly remembered.

We condole with the family, friends, colleagues and acquaintances of the Late Prime Minister and wish his soul eternal rest for all his efforts to change lives in this country and the world at large.
